

## Transactions Functions Tables:

### User Story 1:

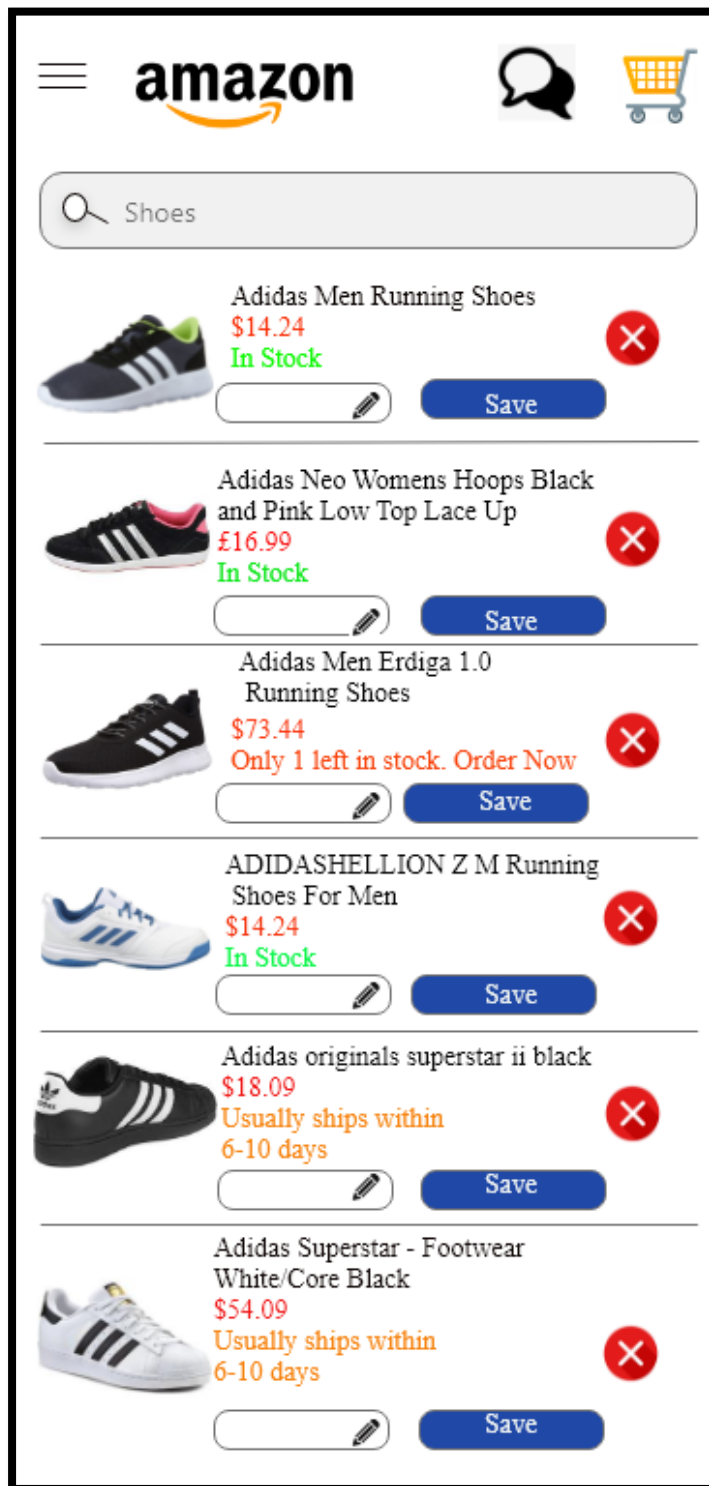

1. As a non-registered user, I want to view the product details.

Transaction Functions/Screen	Type	DET	RET	FTR	Weightage
View Product	EI	6	NA	2	Low

## User Story 2:

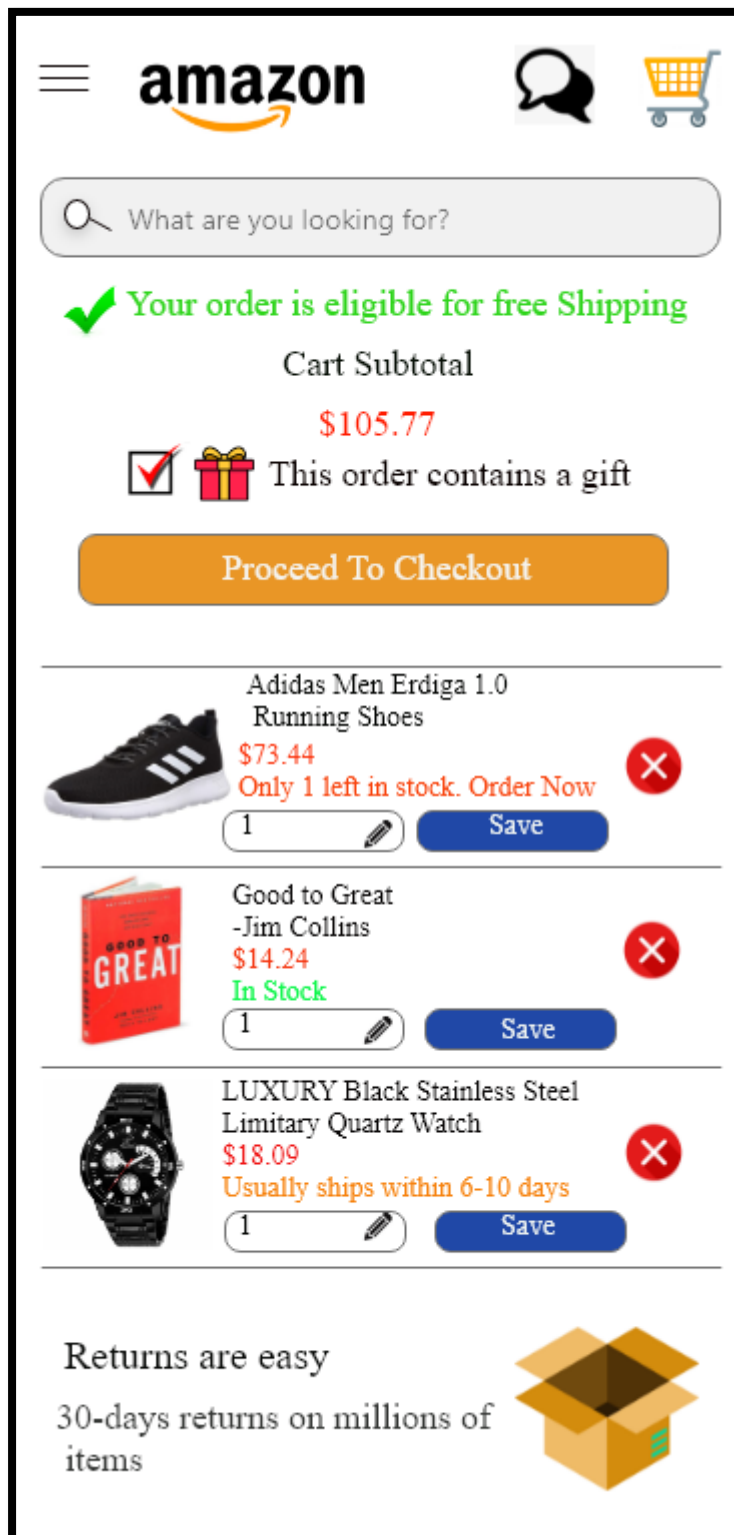

2. As a customer user, I want to filter products so that I can find the items based on different categories.

Transaction Fuctions/Screen	Type	DET	RET	FTR	Weightage
Filter Product	EO	5	NA	3	Low
Delete Product	EI	2	NA	1	Low

### User Story 3:

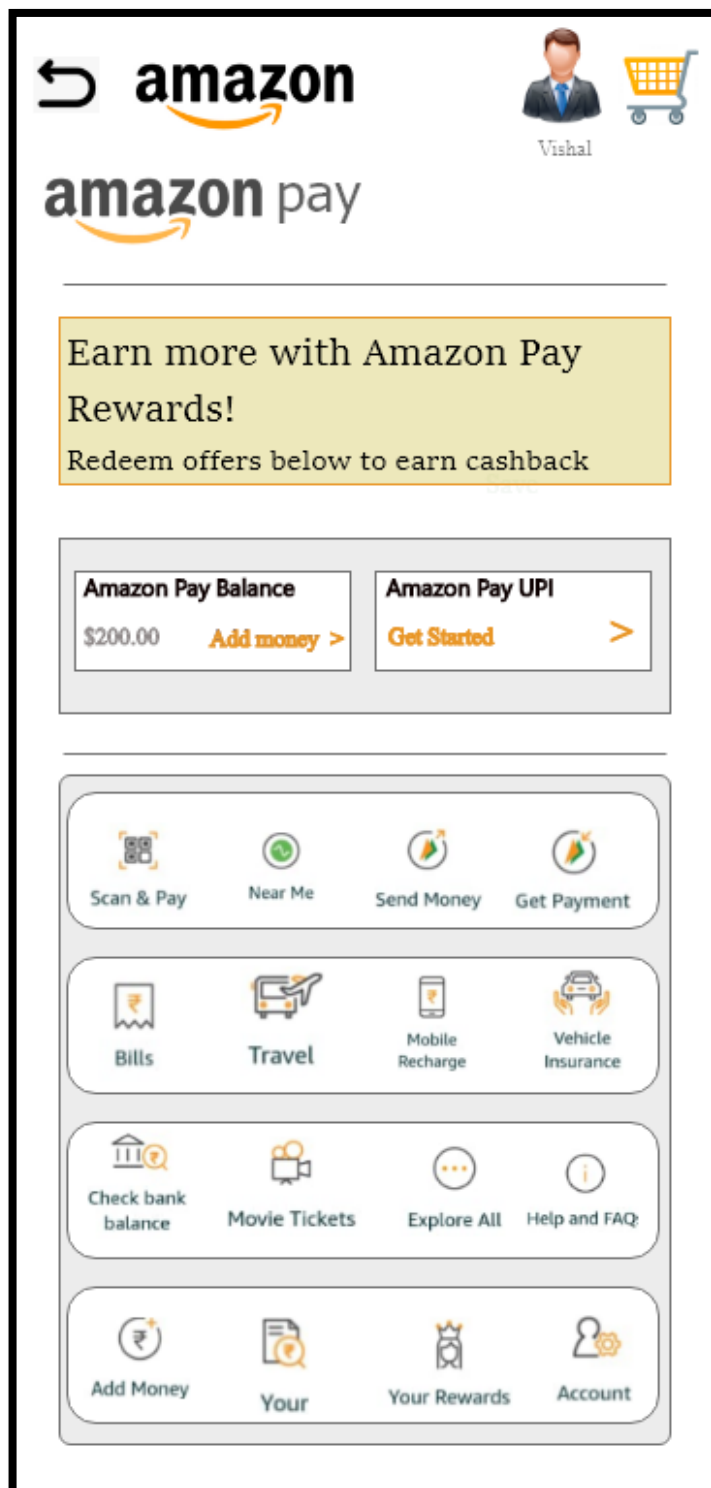

3. As a registered user, I want to buy a product from the website.

Transaction Fuctions/Screen	Type	DET	RET	FTR	Weightage
Buy Product	EQ	3	NA	2	Low

#### User Story 4:

4. As a registered user, I want to add money to my AmazonPay account so that I can pay directly from it rather than using a bank account.

Transaction Fuctions/Screen	Type	DET	RET	FTR	Weightage
Add Money	EI	9	NA	2	Average

### User Story 5:

5. As a customer, I want to add my location/address of delivery through map by pinning the location.

The screenshot shows the Amazon mobile app interface for selecting a shipping address. At the top, there's a back arrow, the Amazon logo, and a user profile icon labeled 'Vishal' next to a shopping cart icon. Below this is a progress bar with four steps: 1 (Shipping, highlighted in orange), 2, 3, and 4 (Shopping Cart). The main heading is 'Select Shipping Address'. There are two saved addresses listed: Vishal Salvi (423, S. V. Road, Ramesh Nagar, Bandra (E), Mumbai- 400059, India) and Shivam Pawar (224, L. S. Road, Shashtri Nagar, Kurla (E), Mumbai- 400068, India). Each address has a radio button next to it. Below the list, there are two options: 'Add New Address' and 'Ship to an Amazon pickup Location', both with right-pointing arrows. At the bottom, there are two buttons: 'Edit Address' (blue) and 'Continue' (orange).

Transaction Fuctions/Screen	Type	DET	RET	FTR	Weightage
Add Address	EO	3	NA	2	Low
